Membership

- Membership of the 3NDWG is open to all people with a diagnosis of dementia (or a re-diagnosis of mild cognitive impairment following a dementia diagnosis) living in England, Northern Ireland or Wales.
- A steering group of 12 people with dementia drawn from the membership will lead the 3NDWG.

Who are we?

The 3NDWG is a working group of people living with dementia across England, Northern Ireland and Wales who wish to contribute to:

- the improvement of the lives of those living with dementia
- the improvement of the lives of those who support and care for people with dementia
- the work of professionals and policy makers working in this and related areas. Members are based all across the three nations, creating a network of voices on dementia who can lead on regional projects

England • Wales
Northern Ireland

What do we do?

The 3NDWG has been involved in activities such as:

- Approached for input on several consultation exercises such as the Green Paper on Health and Social Care and the Prime Minister's Challenge on Dementia 2020
- Asked to speak at several events, including the All-Party Parliamentary Group on Dementia, Dementia Friendly Communities among many others
- Delivering the opening session at the Alzheimer's Society Annual Conference
- Heavily involved in the production of the new rights-based Dementia Statements and the Wales Dementia Action Plan 2018-2022

And plenty more things in the pipeline!

Why should you get involved?

Joining the 3NDWG is a brilliant opportunity to use your voice. Here are some things that we can offer to you and that you can contribute to:

- A sense of belonging to a wider group of like-minded people
- Newsletter
- Blog posts
- Signposting to information and services
- Involvement opportunities relevant to your work experience, hobbies, interests or locality
- Updates on current work and developments in the field of dementia
- A platform to influence, improve and learn
- The opportunity to put yourself forward for the steering group as and when vacancies arise
- The chance to share your experiences to continuously strive for improvement in research, advocacy and services

Our ambitions:

- To make a positive difference to the lives of people affected by dementia.
- To become an advisory and the 'go to' group for professionals, the media, policy makers and anyone seeking input from people with dementia.
- To reduce the prejudice and stigma attached to dementia.
- To raise public awareness about the needs of people with dementia and their supporters and carers.
- To be a collective voice of and for people with dementia nationally, regionally and locally.
- To influence public policies that impact on the lives of people with dementia and their families.
- To initiate and deliver specified projects for the benefit of people with dementia.
- To advocate for all professionals working in the field to involve people with dementia in their work.
- To identify and work with and/or support other groups of people with dementia or groups with an interest in helping people with dementia.
